

Welcome to Owls

Class Teacher – Mrs Yoshiyama and Mrs Taylor Chadwick
TAs Mrs Walsh & Mrs McDanagh

Library (Tuesday)

Every Tuesday, during our library time, your child will receive a new library book. Please make sure they return their book each week so that they can get a new book.

Reading Books

Please can you ensure your child brings their **book and reading record everyday** so that an adult or Year 6 Reading Ambassador can hear them read at any given opportunity.

Reading books will be changed as often as needed.

Zones of Regulation

We use the Zones of Regulation to help us self regulate.

We use four zones to help identify how the body and brain feels.

Be Ready! Be Safe! Be Respectful!

We celebrate children who follow our 'Golden Rules' and the virtues using our recognition board and house point system.

TOPICS

Tuesdays and Fridays

Please ensure that your child comes to school wearing their full School PE kit on that day. Their PE Kit should consist of navy shorts and sky-blue polo shirt, with suitable sports trainers.

Children also have the opportunity to go swimming for half a term (Summer 2)

Homework

- MyMaths short online maths activity
- Timetable Rock Stars – practising their times tables online
- Reading – Children to read whenever possible at home

Homework will be set every Monday and children will be tested on their spellings every other week.

Uniforms

Please ensure your child is wearing the correct school uniform. They need to bring their coat **every day** as we go outside in every type of weather.

Please make sure all your child's uniform is labelled correctly with your child's name.
